Alright, cut! Fade 2 black  
Now bring it up and let me kick the facts  
And I'ma do ya like U wanna...  
I'ma do ya like U wanna...  
I'ma do ya like U wanna be done  
Continental {x2}

This is the Continental  
This is the main thang

I can see U dancin' 4 a pack of wolves  
I can see them fightin' 4 a chance 2 pull  
But they ain't got a shot cuz the way 2 make U hot  
Is 2 let U do your own thing instead of tryin' 2 make U  
stop

Go on ahead my dear and dance  
This is the new romance  
Whatever U want 2 do, I'll make it happen fast

I am the Continental, I am the main thang  
Whatever come 4 and after me is ying yang  
Why settle 4 a star when U can have the sun?  
Come on, let me do U like U want 2 be ... done!

Alright, cut! Dissolve 2 a purple floor  
U and me are starring in a movie called "More"  
3 quarters in a glass, I see U smile and ask  
"If I flip 'em on my stomach, will U marry my ass?"

I'd be like, "Yeah man," cuz I want the main thang  
(Continental)  
Whatever come 4 and after, that is ying yang  
Why settle 4 a star when U can have the sun?  
Come on, let me do ya like U want 2 be ... done!

Come on, let me do ya like U wanna be done  
Come on, let me show U how a boy and girl supposed 2  
have fun  
Hand 2 hand, one 2 one  
Let me do ya, do ya, do ya like U, like U wanna be done

(Yeah!)  
Cont-con-continental

I wanna kiss U! Baby, yeah, I want your lips  
I wanna kiss U like U know, like U know U wanna be  
kissed  
All tongue, yeah, that's right, I want all your germs  
I can be heck-a-teacher if U wanna learn

Cuz I am the Continental, I am the main thang  
Whatever come 4 and after me is ying yang  
Why settle 4 a star when U can have the sun?  
Come on, let me do ya like U wanna be ... done!

Cont-con-continental

Baby, how U wanna, how U wanna be done?  
Just say the word and we can start from number 1  
And go the distance, baby, until U tell me 2 stop  
I'd lose myself inside U till U get all I got  
Talk 2 me, baby (ooh), tell me how U wanna be done

(Yeah) How U wanna be done?

Shall I go in a circle like the merry-go-round  
That U and your girlfriends used 2 ride all up and  
down?  
Talk 2 me, baby, tell me how U want 2 be done (How U  
wanna be done?)

Shall I write the alphabet? (A B C D E F G)  
Or shall I just write my name?  
U tell me, U're the ruler in this telephone game  
I could be a slave when it comes down 2 U (Slave)  
I'll do any and everything U want me 2 do  
U know why? (Why?)  
Cuz I want U 2 have fun  
So how U wanna be done?  
(Yeah, baby, yeah!) (How U wanna be done?)

Baby, how U wanna, how U wanna be done?  
Just say the word and we could start from number 1  
And go the distance, baby, till U tell me 2 stop  
I'd lose myself inside U till U get all I got  
Talk 2 me, baby, tell me how U wanna be done

I want U 2 imagine U're making angels, angels in the  
snow  
And kiss a hundred revolutions nice and slow  
Then I see U on the beat do a def striptease  
No, no, leave the Chanel around your neck - please,

baby, please  
Now do something I've never seen before  
(How U wanna, how U wanna be done?)  
Crawl over 2 me on your stomach - more, baby, more  
Now pull me down on top of U and grind really fast  
(Tell me how U wanna be done)  
Take both hands with all your might and squeeze my...  
yeah!  
Roll me over until U're back on top  
Then I want U 2 kiss me until I make U stop  
That's how, that's how I wanna be done  
(Tell me how U wanna be done)
