I don't think you notice
When you see my face
I guess you're waiting
To spin me around again

Wheels, I guess are turning
Somewhere inside my head
I know that this is
Deeper than you get

But you're coming back again
You don't mean to waste my time
But you're coming back so

Don't tell me, how to be
'Cause I like some suffering
Don't ask me, what I need
I'm just fine here finding me, me

I've already given
Up on getting through
I never question
Who I'm talking to

Oh, so much for nothing
But nothing means so much
I know it's touching
But I've been out of touch

And it's all that I can do
I'm a sight for my sore eyes
But it's all I am so

Don't tell me, how to be
'Cause I like some suffering
Don't ask me, what I need
I'm just fine here finding me, me

I don't think you notice
When I can't reach out
I guess you're waiting
On somebody else again

Oh, so much for talking
It's all been said before
I'm hearing something
But I wish you'd just say more

But you're going off again
When I try to just hold on
But you're going off so

Don't tell me, how to be
'Cause I like some suffering
Don't ask me, what I need
I'm just fine here finding me, me
Finding me, me
