I need to know if you were real
'Cause I've been known to get it wrong
When the memory comes
I'll say I'm always in the dark
You got me now

I wanna give you back
I wanna give you back
Somewhere out of here
I wanna give you
I wanna give you
I wanna give you back

I can't remember how it went
You looked like everything I wanted
And as you came along
Slowly everything began to change
I got you now

I wanna give you back
I wanna give you back
Somewhere out of here
I wanna give you
I wanna give you
I wanna give you back

That's enough
Just talking about it
I don't mind, I don't mind
No I laugh enough
Just dreaming about it

I need to know if you were real
I'd hate to think that I'd been fooled again
And as the vision fades
I'll say I was blinded by your eyes
I felt them burn

I wanna give you back
I wanna give you back
Somewhere out of here
I wanna give you

I wanna give you
I wanna give you back
Somewhere out of here

You gotta get on out of here
Get on out of here
Get on out of here
Get on out of
