So you sailed away into a gray sky morning
Now I'm here to say, love can be so boring
Nothing's quite the same, now I'm just saying hey now
But it's not so bad, you're only the best I ever had
You don't want me back, you're just the best I ever had

So you stole my world, now I'm just a phony
Remembering the girl leaves me down and lonely
You send it in a letter, make yourself feel better
But it's not so bad, you're only the best I ever had
You don't need me back, you're just the best I ever had

If they take some time to patch me up inside
And I can't take it, so I run away and hide
I might find in time that you were always right
You're always right

So you sailed away into a gray sky morning
Now I'm here to say, love can be boring
What was it you wanted, could it be unwanted
But it's not so bad, you're only the best I ever had
I don't want you back, you're just the best I ever had
The best I ever had, the best I ever
