It's taken much too long
To get it right
Would it be so wrong
To maybe find someone
A miracle

And all you really need
Is everything you could never be
And so you'd give it all
For a miracle

[Chorus]

Is there a trace
Inside her face
Of a lonely miracle
And so you wait
And lie awake
For a lonely miracle

You never really know
What it is
Not until it goes
And if it comes again

It's a miracle

But what you miss is love
In everything below and up above
And could she bring it all
A miracle

[Chorus]

All you wanted was a (miracle)
All you needed was a miracle
A miracle
And all you wanted was a (miracle)
All you needed was a miracle
A miracle

It's taken so long to get it right
Could it be so wrong

To maybe find someone
A miracle

[Chorus]
