I'll close your eyes
I'll try to find you
Into the light
I'll be behind you

It's just a touch
It may not be the answer
It's all you've got
And I may not be too tender

Just this one time around
Let this love be all you live for
Just this one time around
Let this love be all you breathe for

Ah ah ah ah ah

I'll hold you in
I'll bring you closer
Let it begin
I'll take you over

Come stay with me
Listen to the quiet
Tell me what you see
And I'll try to hide it

[chorus]

I wanna be here now
I wanna be seen
I want to go where I've never been
We might be lost here
We might be found
But I need this to happen
One Time around

Close your eyes
I'll make you wonder
ooh what's inside
Let me pull you Under

[chorus]
