they're gonna clean up your looks  
with all the lies in the books  
to make a citizen out of you  
because they sleep with a gun  
and keep an eye on you, son  
so they can watch all the things you do

because the drugs never work  
they're gonna give you a smirk  
'cause they got methods  
to keep you clean  
they're gonna rip up your heads  
your aspirations to shreds  
another cog in the murder machine

they said all teenagers scare the living shit out of me  
they could care less as long as someone'll bleed  
so darken your clothes  
or strike a violent pose  
maybe they'll leave you alone  
but not me

the boys and girls in the clique  
the awful names that they stick  
yer never gonna fit in much, kid  
but if you're troubled and hurt  
what you got under your shirt  
will make them pay for the things that they did

they said all teenagers scare the living shit out of me  
they could care less as long as someone'll bleed  
so darken your clothes  
or strike a violent pose  
maybe they'll leave you alone  
but not me

oh yeah

they say all teenagers scare the living shit out of me  
they could care less as long as someone'll bleed  
so darken your clothes  
or strike a violent pose

maybe they'll leave you alone  
but not me

All together now,  
teenagers scare the living shit out of me  
they could care less as long as someone'll bleed  
so darken your clothes  
or strike a violent pose  
maybe they'll leave you alone  
but not me

teenagers scare the living shit out of me  
they could care less as long as someone'll bleed  
so darken your clothes  
or strike a violent pose  
maybe they'll leave you alone  
but not me
