Oh, somebody else is looking up  
Oh, somebody else is showing how you do it  
I never fall in love  
I just fall out of it  
I never get enough  
I just say enough of this  
And I've had enough of this

Wasted words you gave me  
Wasted talk is cheap  
Wasted, I think your eyes are killing me  
Wasted somewhere in between

Oh, another fight is going down  
Oh, and nobody else is making a sound  
I always say too much  
I always miss the bus  
I never get enough  
I just say enough of this  
I've had enough of this

Wasted words you gave me  
Wasted talk is cheap  
Wasted, I think your eyes are killing me  
Wasted somewhere in between

Oh, I guess I'm breaking through  
Oh, and it's all the same without you  
I never fell in love  
I just fell out of it  
I never had enough  
I just had enough of this  
I've had enough of this

Wasted words you gave me  
Wasted talk is cheap  
Wasted, I think your eyes are killing me  
Wasted somewhere
