We are
We are
We are
We are

Take a listen through the window
Take a lover on the radio
Ask her if she's got an answer
Do you know?

Time enough to get a good one
Though they never seem to get done
I am standing for a reason
Do you know?

'Cause I don't know how
I don't know where
We are
We are

And I don't know why
I don't know if
We are
We are

Seven days and not a return
Seven lives and not a thing learned
Take a lover on the highway
Do you know?

'Cause I am sleeping on a time bomb
And I am waiting for the light to come
You and I could get away now
Do you know?

'Cause I don't know how
And I don't know where
We are
We are

And I don't know why
I don't know if

We are
We are

I get up sometimes
Like somebody else
Am I just wasting time
For somebody else?

Take a listen through the window
Another lover on the radio
Ask her if she's got an answer
Do you know?

'Cause I don't know how
And I don't know where
We are
We are

And I don't know why
I don't know if
We are
We are

And I don't know how
I don't know where
We are

I don't know why
I don't know if, if, if, if
We are
We are
