You're A God

I've got to be honest
I think you know
We're covered in lies and that's OK
There's somewhere beyond this I know
But I hope I can find the words to say

Never again no
No never again

Chorus
'Cause you're a God
And I am not
And I just thought
That you would know
You're a God
And I am not
And I just thought
I'd let you go

But I've been unable
To put you down
I'm still learning things I ought to know by now
It's under the table so
I need something more to show somehow

Never again no
No never again

Chorus

I've got to be honest
I think you know
We're covered in lies and that's OK
There's somewhere beyond this I know
But I hope I can find the words to say
Never again no
No never again

Chorus
