You and me. will you runaway with me.

The day that I wrote these words for you I cry.  
i could die that day.happy and  
Complete man cause in the plam of my hands  
everything  
that I dream for more and  
You know that I'm down for yours forever in life the  
reason that I made you my  
Wife is because you seen me for me. the real me and  
love me uncondishly and  
Ever with the sercom that I hand it you still gave  
me a chance and thats why I  
Live and breath for you and the kids and you give more  
then this fame could  
Ever give me.and now my life is seciftiy and complete.,  
visions are coming true  
Yeah of me and you. placing rings on each other  
fanger  
saying I do. you stuck  
With me though my thick and thin.  
to go back. live live over again nah this is  
My destiny it was worth the ageny to get the easty.

We can runaway and spend some time.  
always be the one right by your side. tell the  
Whole world that you belong to me. you are my  
everything. oh..... I want to  
Runaway with you. do, do, do,do .... (chorus)

I never ever met a shorty that was quite like you. when  
ever though it was  
Wrong I fall in love with you.  
now we sit here not knowing really what to do.  
But I'm sure that you know that I'll give the world

for you. if I could runaway  
With you. I even think twice.  
I promise girl I put it all on the line. I know

That forever seems to be a long time. but thats what  
I'm seeing when I look  
Into your eyes. and it don't matter what your friends  
might say. cause I know  
That deep inside you feel the same way. you can tell me  
what you want. but I  
Could read your mind. so quit lieing to yourself.  
and put your hand in mine. I  
Get excited every time that you come close.  
and being right here with you is  
What I love the most. so many time that you are feeling  
lonely inside. we can  
Runaway together leave this world behind.

(chorus)

Waking up in the morning. and you are still not there.  
cant we runaway and  
Escape somewhere. missing your soft touch your lips  
next to mine. holding up  
Your hands as you look in my eyes.  
what must happen to the love that we both felt  
Inside. emotions were strong and the feeling was right.  
now we don't speak  
Anymore. you went your own way. and thats what loves  
about then I was miss  
Lead. go head and take your time. if that if what you  
need. my love for you  
Is forever and my heart for you bleads.  
things happen for a reason. so I ask  
Myself. should I be strong or wait or move on to  
someone  
else I know that you  
Still love me. I can feel it inside you always keep  
it real no games no lies if  
You ever feeling lonely feel the need to get away  
Call me up I'll be there together we will runaway .

(chorus)
