Daniel in the lions' den  
Daniel and those lions were friends

Long, long time ago  
So Jah holy Bible show I  
Daniel was cast in the lions' den  
The lions never hurt him  
They bowed down to thanks and praise  
Daniel and those lions were friends  
Daniel and those lions were friends

It was that he took captive  
They brought in shackles and chains  
And cast him in the lions' den  
Yes, them cast him in the lions' den  
Neva know him and dem were friends  
Yes, them cast him in the lions' den  
Neva know him and dem was friends

Daniel in the lions' den  
Daniel and those lions were friends

[repeat]
