Lot's wife turned a pillar of salt  
Lot's wife, she turned a pillar of salt

As I was reading my Bible  
Just the other day  
About Sodom annd Gomorrah  
What happened on the judgement day

It wasn't Lot's fault  
His wife turned a pillar of salt  
He taught her the way  
The woman would never obey

Lot's wife turned a pillar of salt  
Lot's wife turned a pillar of salt

If you want to satta with your dread  
Then you haffi stop from burning your head  
If you want to satta with your dread  
Then you haffi stop from burning your head

Lot's wife turned a pillar of salt  
Lot's wife, she turned a pillar of salt

[repeat]

But the rain come fall on it and it tumble  
But the breeze come blow on it and it tumble  
But the sun come burn on it and it tumble

O woman, don't look back now  
O woman, you mustn't look back now  
O woman, don't look back now

Lot's wife turned a pillar of salt  
Lot's wife, she turned a pillar of salt

Woman, don't look back now  
Woman, don't look back now

Zema - Balaam And Balaak

Oooh, Balaam, oooh, and Balak  
Oooh, Balaam, oooh, and Balak

I see him but not now  
I behold him but not near  
A Star shall come out of Jacob  
A Sceptre shall rise out of Israel  
And batter at the brow of Moab  
And destroy all the sons of Sheth

And he took up this parable(?)  
Rise up, Balak, and hear  
God is not a man that he should lie  
There's no sorcery against Jacob

Blessed is he who blesses you  
And cursed is he who curses you

Like valleys that stretch out  
Gardens by the river's side  
Aloes planted by the Lord  
Like cedars beside the waters  
He shall pour water from his bucket  
His seed shall be in many waters

The utterings of Balaam the son of Beor  
The man whose eyes are open  
The utterings of him who hears the words of God  
And has knowledge of the Most High  
Who sees the vision of the Almighty  
Who falls down with eyes wide open

I see him but not now  
I behold him but not near  
A Star shall come out of Jacob...

[repeat]
