When you've had enough,  
and you've got it bad enough  
and you can't let go.

When it comes to blows,  
and you start to overflow,  
and you can't get home.

It's a subtle kind of cruel,  
it taps my spine.

Here I'm drawing a line,  
I'm asking please.

Don't you wanna  
be happy with me? [x2]

I'm afraid if you  
don't come around soon,  
I'll turn sadder

than you ever were,  
and you'll learn  
lonliness is worse  
you've gotta try.

December's all alone,  
and he's calling  
me on the phone  
but he sounds so cold.

He says he loves me so,  
but how would I ever know?  
Certain words grow old.

It's a vicious kind of catch,  
it sides me blind.

Now I'm out of my mind,  
I wanna scream.

Don't you wanna

be happy with me? [x2]

I'm afraid if you  
don't come around soon,  
I'll turn sadder  
than you ever were,

and you'll learn  
lonliness is worse  
you've gotta try.

Love liked me long ago,  
it had a way of making

everyone the same.  
But how the angels  
must laugh and sigh  
to hear me pleading with you,  
and needing you this way.  
Oh why don't you  
wanna be happy with me? [x2]  
I'm afraid if you  
don't come around soon,  
I'll turn sadder  
than you ever were,  
and you'll learn  
lonliness is worse  
you've gotta try to  
stay mine all the way  
Don't you wanna  
be happy with me? [x2]  
I'm afraid if you don't  
come around soon,  
I'll turn sadder than  
you ever were.
