I don't believe what he said
I can go anywhere
I can hold my head up
I can breathe in the air

I'm not officially dead
I still have a heart
I'm not officially dead
Yeah I still have a heart

Do you remember the times
You ride your bike past my house?
I want to know you so bad
Know you inside and out

You're officially dead
You don't have a heart
You're officially dead
Yeah you don't have a heart
You're officially dead
You don't have a heart
You're officially dead

See me
Feel me
Try to
Kill me

Please be easy
Just don't leave
Just don't leave me for dead

I know you can't let me go
It's all in your head
You want me back in your arms
Want me back in your bed

We're officially dead
We don't have a heart
We're officially dead
We don't have a heart...
We don't have a heart...

We don't have a heart..
Whoooooa
Officially dead
We're officially dead
Officially dead
