Speak
You're speaking words
But all I ever heard
Is white noise from weird boys

Space
You're spacing out
By the way
What's that face about
It's so weird
It's so weird

You don't know me
You don't own me
You're just poassing through my life
You're a stranger
With bad behavior
You're so weird I'm terrified

Back lounge
A chain smoking Charlie Brown
You're busted up
And broken down
So you're so low rent

You're texting vegan sex again
It's so weird
It's so weird

You don't know me
You don't own me
You're just passing through my life
You're a stranger
With bad behavior
You're so weird I'm terrified

Slowly, faintly
Slowly, faintly
Slowly, faintly
Slowly, faintly

You don't know me

You don't own me
You're just passing through my life
You're a stranger
With bad behavior
You're so weird I'm terrified
