You're so nice,  
you tie me in a web  
and cradle me till dawn.  
You're so deadly  
that I can see your breath  
beneath me when you're gone.  
You're so windy,  
I'd like to pin you down  
and tack you to the wall.  
Spiderman [x2]  
Spider Sunday,  
you blaze up from the South  
with oil on your hands.  
I'm streaked in grease and grime,  
and idle mouths,

you spoiled all my plans.  
Spiderman [x2]  
I can't take more of that. [x4]  
Tiny truck stop,  
you lay me in a towel,  
and savour me like a lamb.  
You smell of corduroy and lemon drops,  
and reds pulled from a can  
I dream in black and white  
I've long forgot exactly who I am.  
A spiderman.  
Spiderman. Oh, man.  
Spiderman [x3]
