Yes
I was thinking 'bout
The time when I was dead
I was passive, bored,
You know
I lived my life
In a shell
Now
I'm shooting off again,
And it feels good
Just thinking about
The good times
Cause my love,
I know you're just
A staring stranger
You fill up my holes
You make me feel safe
I know you're just
A staring stranger
You fill up my holes
You make me feel

I know time
Was getting late,
But not in my mind
Never asked you,
Just jump up
And let my life die,
When I was thinking
About the love
That I have made,
The love
That I have lost
Many days
And days and days
Oh well
I know you're just
A staring stranger
You fill up my holes
You make me feel safe
I know you're just

A staring stranger
You fill up my holes
You make me feel

Cause my love,
I know you're just
A staring stranger
You fill up my holes
You make me feel safe
I know you're just
A staring stranger
You fill up my holes
You make me feel safe
Yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
