Pam The Funkstress
You're so tight
Just scratch me up and make it right
I'm caught up in your flow tonight
So you can transform my world
Pam The Funkstress
You're so tight
Just scratch me up and make it right
I'm caught up in you flow tonight
So you can transform my world
Pam The Funkstress
You're so tight
Just scratch me up and make it right
I'm caught up in your flow tonight
So you can transform my world
Pam The Funkstress
You're so tight
Just scratch me up and make it right
I'm caught up in you flow tonight
So you can transform my world
