That was a time for falling  
I knew you well.  
There was no time for calling  
Me when you fell.  
This is a time to take cover  
In a wishing well.  
Summer was blowing all over me  
When you fell.  
Sailors can take all the breathing  
Out of the sail.  
I took a trip when you needed me...  
When you fell,  
Waters were driving me  
To a deep place;  
I close my eyes to see  
Your sweet face.  
A coke inside me,  
I slept in hell...  
Angels can be so deceiving  
When they love you well.  
Did you think you would be leaving me?  
These are some lavender flowers  
In a broken shell; (I was broken)  
They comfort me ever since the day when you fell.  
When you fell,  
Waters were dancing me  
In a dark place,  
I close my eyes to see  
Your determined face,  
My secret inside me  
I slept in hell...  
This is a time for believing  
In fairy tales;  
One in which you are brought back to me.  
Wolf, I cried wolf.  
Wolf, I cried wolf.  
Wolf, I cried wolf.
