And the worms came drooling.....

The buttoholes were so slimy then

I remember.....

Commodore Butthole...and what he told me

Stop touching me...touching me....touching me there

Stop touching me...touching me....touching me there

Oh lovely diaper ...how you drip onto the floor

AND wait.....the children eat it.....

Nows there's nothing more

Oh butthole oh butthole,,,,,please come back

oh butthole oh butthole.....dont you dare go rotten

two pieces of poop is a icecream manpon

sucking the peepee out of my san'wich

now they tell me.."your diaper is bleeding"

I say"shut up ill RAPE YOU MASTER"
