[Intro: Prince Paul] Politics of the business [Chorus: Ice-T] The business, the business Politics of the.. The business, the business Politics of the.. the business Politics of The Business, the business Politics of the.. the business [Ice-T] Anybody who gets in this business And lives his offer but he's living in a miracle [Prince Paul] Awww man, fuck the music business, man Fuck that, I wanna say when you just can't say: Fuck this business You got to get in where you fit in And understand what you get in [Ice-T] I uhh.. I mean, if somebody sits and talks to me about the music business I will tell him not to get in it I will tell him that it's very very very complicated And hard to actually cease something that living today [Chuck D] Politics of the.. business Rap miserable muscles is that when.. Cats all of a sudden look at BET And say: Awww man, we can do that Man, I can outbone Jay-Z [Ice-T] Yeah, in every one of these videos You're gonna see some sacks! You're gonna see somebody tote some money Or somebody acting like they shoot you It ain't much in between [Prince Paul] I have to tell the artist straight forward You are not that great, as you think you are You smoke too much fucking weed And when.. when.. when you hear yourself back Everytime, you're coming out and hating yourself [Ice-T] Politics of the business The business, the business You know, that's.. that's the way to get fucked in the business Of course, it's.. it's.. it's a cut throat business [Chuck D] It's what you know.. What you know'll save you in this business all the time [Ice-T] And it's.. I guess.. it's just the bottom line making a hit record And uhh.. it's not simple as people think You know.. it's very complicated Yeah, if it did, everybody would go make one right now Politics..
