'Cause it's a bittersweet symphony, this life
Trying to make ends meet
You're a slave to money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
where all the veins meet yeah

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
But I'm a million different people
from one day to the next
I can't change my mind
No, no, no, no, no, no, no, no, no, no, no, no (fading away)

Well I never pray
But tonight I'm on my knees yeah
I need to hear some sounds that recognize the pain in
me, yeah
I let the melody shine, let it cleanse my mind, I feel free
now
But the airways are clean and there's nobody singing
to me now

No change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no, no, no
I can't change
I can't change it

'Cause it's a bittersweet symphony, this life
Trying to make ends meet
Trying to find some money then you die
I'll take you down the only road I've ever been down
You know the one that takes you to the places
where all the veins meet yeah

You know I can't change, I can't change
I can't change, I can't change
But I'm here in my mold
I am here in my mold
And I'm a million different people
from one day to the next
I can't change my mold
No, no, no, no, no

I can't change my mold
no, no, no, no, no,
I can't change
Can't change my body,
no, no, no

It just's sex and violence melody and silence
It just's sex and violence melody and silence
I'll take you down the only road I've ever been down
It just's sex and violence melody and silence
I'll take you down the only road I've ever been down
Been down
Ever been down
Ever been down Lalalalalalaaaaaaaa...
Ever been down
Ever been down
Have you ever been down?
Have you ever been down?
Have you ever been down?
