### COLORFUL

The show is over close the story book  
They'll be no encore  
And all the random hands that I have shook  
Well they're, reaching for the door  
I watch their backs as they leave single file  
But you stood stubborn, cheering all the while

I know I can be colorful  
I know I can be gray  
But I know this loser's living fortunate  
Cause I know, you will love me either way

Most were being good for goodness sake  
But you wouldn't pantomime  
You are more beautiful when you awake  
Than most are in a lifetime  
Through the haze that is my memory well  
You stayed for drama though you paid for a comedy  
and

I know I can be colorful  
I know I can be gray  
But I know this loser's living fortunate  
Cause I know, you will love me either way

Look ahead as far as you can see it  
We'll live in drama but we'll die in a comedy and  
I know I can be colorful ( we'll just live it for today)  
I know I can be gray ( and it won't fade away)  
And I know this losers living fortunate  
Cause I know, you will love me  
Yes I know, you will love me  
I know, you will love me  
Either way
