\* girls giggling \*

[Onyx]

Oh Pete Nice? I'm smoother than him, man I mean  
he wears suits and all, you know no disrespect..  
\*incomprehensible\*

[Girls]

Yeah right, just a thought (\* giggling \*)

[Zev Love X]

Heavy D yo, the girls they love me  
(\* girls crack up \*) They love me, I just know it!

[Onyx]

Yea Positive K? He's dip dip divin ??

[Girls]

Yeah right

[Zev Love X]

Yeah LL, yo he might keep the girls +Jinglin+  
but yo.. I'm the man (\* girls crack up \*)  
I'm the man, as a matter of fact  
Yo, see they laughin at me man

[Girls]

I'm the man!

[Zev Love X]

Yo, that ain't right  
Yo, well anyway

By the hairs of my chinny chin chin, gots many plus  
plenty  
String by string, I think I counts like twenty  
If you loan me a ear, I'll return it with interest  
If not, I'll simply twist the wrist  
So listen up closely, with thoughts to recoup me  
Cause I hope to gross like ten cent per groupie  
Now only if I had two G's per strand

Ask my anchor banker, he understands  
I used to wrap my hand around a cold gold can  
Someone once said health is wealth, so check self  
I gots a perfect check-up, 'cept for a hiccup, roll with no  
stick-up  
How can I keep the goya nectars on my shelf?  
Oh boya how I searched for an employer  
But before Zeale Huckleberry film was in Tom Sawyer  
Now use your imagination, just a smidgen  
If I was a bird I'd be a pigeon  
Succumb one to crumbs and pizza crust, when every  
fella can  
eat fresh fish and live fat like pelican  
Then again, that's only if your capable for freckles  
or blue eyes -- I settle for Heckle'n'Jeckle  
while I chuckle at my man with the cellular phone  
The only phone I own's a funky xylophone's tone  
Ain't no joint in, annoyin high-pitched ringin  
We do the tap twist and twitch bringin  
through soul and this cordless thingamajig  
Sure as Onyx's clippers etch a clue to your wig  
We'll do the gig so make your mind ??  
The pipe, the bowl or us fiddlers, don't riddle us  
I'll even ride a bus to the coast if clear  
For okay pay, I'll say ??  
Now all this runnin round's kickin me right in the rear  
And still I'm judged by the hairs on my chinny chin chin  
And I'm able to hit a skin (\* girls giggling \*)  
just like my man Puba Maxwell, so I'm smooth

[Onyx]

Yeah, candy get the job done but yo, I take care of  
business

[Zev Love X]

{Peachfuzz} Now what's up with this peachfuzz  
nonsense?

{Peachfuzz} What are y'all talkin about this peachfuzz?

{Peachfuzz} Nah, I just got one thing to say

{Peachfuzz} Ahh man..

[Onyx]

By the hairs of my chinny chin chin, six black hairs

String by string, I think I counts five pairs

That's a little, but still, can I get a thumbs up?

At least for the peachfuzz that sums up

a tidbit, yeah that's it, but who gives a sugar  
honey iced tea besides me

For if, I ever riff, yet and still, ? windmills

So I take time just to kill

I say cute is for a bear, teddy bear like Teddy Ruxpin

Would I be handsome if I pimped in a tux then  
smoked a cigar with some black chinese shoes then  
picked up some friends in my Benz and start cruisin  
Huh, that's a dream that I ain't even livin  
If that makes a man, surely I'll recommend  
I'll stay a toy boy eatin Butterfingers  
With Knowledge of Self, and colorin books on my shelf  
I wanna grow up, cause maybe if I did then  
I wouldn't be treated like a Toys'R'Us kid when  
they counts ten upon my chin  
By the hairs of my peachfuzz, let's say each was  
an inch, psych because I can't pull or pinch  
It's a wrench, and I thought life would be a cinch  
But anyway, anyhow, let's talk about someway  
somehow  
that I can make my peachfuzz grow out  
Really, do I need beard that grows with no pores  
just to be respected and resemble Santa Claus?  
Hear this clear, I'm a MAN I tell ya  
No dreams or drugs like the slugs will I ever sell ya  
A man I am, in the body of a youth  
So don't play me like I'm Born Universe Truth Truth  
So when I knock at your hearts, let me in  
And judge me not by the hairs of my chinny chin chin

[Onyx]

Yeah, that's what we call, pimpin presence yo  
Call me tonight, knowhat! I'm sayin?

[Girls]

(\* girls laughing \*) You got it

[Zev Love X]

Yeah, you know I eat no pork  
So why can't I be as smooth as my man Dr. York?  
(\* girls crack up \*) I see none!

[Onyx]

Yo.. I'm smoother than the bottom of Hammer's shoes  
after three hundred spins

[Zev Love X]

No love here  
No hair on my chest, but my boy Ak West, I'm just  
smoother  
I'm just smoother

[Girls]

Yeah right

[Onyx]

I'm definitely smoother than y'all just saw

[Girls]

It's about time!

[Zev Love X]

I'm sayin, yo but, I don't want to hear

{Peachfuzz} none of this peachfuzz nonsense

{Peachfuzz} (Can't understand) Peachfuzz

{Peachfuzz} You know

{Peachfuzz} \* girls giggling \*

[Girls]

{Peachfuzz} He's a little boy

{Peachfuzz} \* giggling \*

{Peachfuzz}

{Peachfuzz} \* laughing \*

{Peachfuzz}

{Peachfuzz}

{Peachfuzz}

{Peachfuzz} .. \* fades \*
