When I was young I knew everything
She a punk who rarely ever took advice
Now I'm guilt stricken, sobbin' with my head on the
floor
Stoppin' baby's breath and a shoe full of rice, no

I can't be held responsible
'Cause she was touching her face
I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember
What made us think that we were wise
And we'd never compromise
For the life of me I cannot believe
We'd ever die for these sins
We were merely freshmen

My best friend took a week's vacation to forget her
His girl took a week's worth of Valium and slept
And now he's guilt stricken, sobbin' with his head on
the floor
Thinks about her now and how he never really wept he
says

Can't be held responsible
'Cause she was touching her face
I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember
What made us think that we were wise
And we'd never compromise
For the life of me I cannot believe
We'd ever die for these sins
We were merely freshmen

We've tried to wash our hands of all of this
We never talk of our lacking relationships
And how we're guilt stricken sobbin' with our heads on
the floor
We fell through the ice when we tried not to slip, we'd

say

Can't be held responsible
'Cause she was touching her face
And I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember
What made us think that we were wise
And we'd never compromise
For the life of me I cannot believe
We'd ever die for these sins
We were merely freshmen

For the life of me I cannot remember
What made us think that we were wise
And we'd never compromise
For the life of me I cannot believe
We'd ever die for these sins
We were merely freshmen

We were merely freshmen
We were only freshmen
