We all love a millionaire
On the radio, with a great video
And all the orchestration backing up your screaming
guitar
How'd you make it this far?

Do you gotta be straight on the line?
Do you gotta look great all the time?
Do you gotta be straight?

We'll even pay you, millionaire
Tell us of your abuse 'cause we're all so amused
And what you said about the audience
Well, simple lyrics will do 'cause they don't have a clue

Do I gotta be straight on the line?
Do I gotta look great all the time?
Do I gotta be straight?

Wanna be, wanna be, wish I were
You know I wish I were you know
Wanna be, wanna be, wish I were
You know I wish I were you

Now love me, I'm a millionaire
I'm running out of cliches, but I'm keeping the faith
Should I repeat the second verse?
Well, or maybe the third? It's becoming absurd

But I gotta be straight on the line
'Cause I wanna be high all the time
Do I gotta be straight?

Wanna be, wanna be, wish I were
You know I wish I were you know
Wanna be, wanna be, wish I were
You know I wish I were you

Gotta keep the faith, you gotta play it straight
Give peace a chance, sitting on a fence
Gotta tow the line, sweet child o' mine
Push comes to shove, all you need is love

Wanna be, wanna be, wish I were
You know I wish I were you know
Wanna be, wanna be, wish I were
You know I wish I were you

Wanna be, wanna be, wish I were
You know I wish I were you know
Wanna be, wanna be, wish I were
You know I wish I were you

You know I wish I were you
You know I wish I were you
You know I wish I were you
