Chorus:

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it
She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it
She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

Maliqe Verse 1:

I would be a remisce, girl
If I didn't tell you this, girl
I like your swagger
I just gotta have you
Tonight (tonight) you're the only woman that I'm after
Saw you from a distance
Must admit that you got my attention
God damn, you're fly
God damn , you're fine
Know this ain't a lie, you probably heard it a thousand times

Chorus:

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it
She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it

She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

Sammie Verse :

This must be your night, girl
Liquor got me feeling right, girl
Body on point, from your make-up to your heels
Feeling on your frame, you got more than sex appeal
Let me push up on it
I can tell you want it
Don't be afraid, I got you, babe
Tonight's the night, I'mma do your body right

Chorus:

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it
She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

She sexy and she know it
She sexy and she know it (ayyy)
Sexy and she know it
She sexy and she know it (ayyy)
So bring your body babe
I'll Bring my body babe
We'll just let our bodies communicate

Outro :

Oh, I like that, oh, I like that
Oh, I like that, I like that
I like that

Oh, I like that, oh, I like that
Oh, I like that, I like that
I like that
