(Intro)

Ski, don't foolin' with that piano man  
Let's get into somethin' that's gangsta

(E-A-Ski)

And now what? What's crackin'?  
25 with a meal ticket, yeah, and we ain't jokin' dog  
youknowhatl'msayin'? Huh, all this perpetratin'  
Who got this and who got what  
Man, it ain't all what it cracked up to be  
Look here...

(E-A-Ski)

Who's that G with the illest blood (let 'em known)  
It's Mr. Ski (yeah!), spell my name correctly, fools  
wanna check me  
Nigga wanna break me, ahh where the scrilla Be-M-W  
3-25, oh he's a drug dealer  
Huh-huh-huh-huh, mistaken identity, presidential Rolex  
(yeah)  
Haters wanna rode next to me, maddoggin', shake the  
spot  
But I'm down with the Heckler and Cock, ain't happy  
bout it  
Hit 'em up with the SHOWDOWN, and every female that  
I see, they wanna get down  
And you can bet that I'm gonna hit that (right)  
It's my time and I'm gonna make up, for when I couldn't  
get down (gang-bang!)  
Artist, producer, producer slash artist  
Whatever you wanna call it, I'm legalized ballin'  
Dog, you will never see the scrilla that follows me  
Unless you hit the California LOTTERY!!!

(Chorus)

25, (25 with a meal ticket), believe that  
Y'all wanna know why it's likes that  
Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust  
(25 with a meal ticket), believe that  
Y'all wanna know why it's likes that

Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust

(E-A-Ski)

Can't believe that I fell for the oakey-doke, with these  
haters

Gave them love in the game (but's it all about the  
money player)

Tried to start a tight family, turned from my dog to a  
punk that's sheisty

Now, ain't gotta teach 'em about black balls (black  
balls)

Send your demos to the label never ever get a phone  
call

Mr. Ski be well connected, got a name in the game  
from the platinum records

Spell my name (M-I-S-T-E-R-SKI), and who else (C-to-the-  
M-to-theT)

And who else (I-to-the-M-to-the-G), representin' (O-A-K-  
L-A-N-D)

Get it straight, fool you can rap all night

But acapella ain't sellin' so your beats best to be tight

X wappin' your gums you better bow down

I hit my homies with the platinum sound

(Chorus)

25, (25 with a meal ticket), believe that

Y'all wanna know why it's likes that

Just in case these niggas wanna hit me up

You know we gotta be the first ones to bust

(E-A-Ski)

Money talk and VS walk, when I'm heated

Mess around and every rapper in this game will be  
deleted

(Puts it down), been waitin' for my album to drop

So you can check the sound scan to see if my album go  
flop

You're like a virus, spreadin' through the industry

Wishin' bad things on me, huh-huh-huh-huh... (uh!)

I can see the fear in your eyes when you walk through  
it's Earthquake BABY until the day we shoot

Huh, you best to give it up when I'm bangin' (when I'm  
bangin')

tracks in your chest to keep your whole heart stayin'

Bout me, the dopest O.G. in this industry

And if you got tracks that's tighter, I'll put up 10 G's  
(10)

Better yet a meal ticket if you got it

You better ask my dog Master P, "How we rowdy bout  
it"

Back in the day when me and P used to kick it  
In a minute, No Limit, days, we won a meal ticket

(Chorus)

25, (25 with a meal ticket), believe that  
Y'all wanna know why it's likes that  
Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust  
(25 with a meal ticket), believe that  
Y'all wanna know why it's likes that  
Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust  
(25 with a meal ticket), believe that  
Y'all wanna know why it's likes that  
Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust  
(25 with a meal ticket), believe that  
Y'all wanna know why it's likes that  
Just in case these niggas wanna hit me up  
You know we gotta be the first ones to bust
