I had no idea how much I need her
In peaceful times I hold her close and I feed her
My heart starts palpitating
When I think my guess was wrong
But I think I'll get alone
she's just a girl
She's a bomb

Athena
All I ever want to do is please her
My life has been so settled
And she's the reason
Just one word from her
And my troubles are long gone
But I think I'll get along
She's just a girl
She's a bomb
She's a bomb
Just a girl, just a girl
Just a girl, just a girl
Just a girl, just a girl;
She's just a girl

Athena
My heart felt like a shattered glass in an acid bath
I felt like one of those flattened ants
You find on a crazy path
I'd have stopped myself to give her time
She didn't need to ask
Was I a suicidal psychopath
She's just a girl
She's a bomb
She's just a girl
She's a bomb
Consumed
There was a beautiful white horse
I saw on a dream stage
He had a snake the size of a sewer pipe
Livin in his rib cage

I felt like a pickled priest

Who was being flambéed
You've got me requisitioned blonde
She's just a girl
She's a bomb
I'm happy
She's a bomb
I'm ecstatic
Just a girl, just a girl
Just a girl, just a girl
Just a girl, just a girl
Just a girl

Look into the face of a child
Measure how long you smiled
Before the memory claimed
How long would children remain
How long could children remain

Athena
You picked me up by my lapels
And screamed
