I never counted on this  
guess that's the way that it goes  
you used to be, someone I knew  
somebody I could understand

now I don't know what to do  
and I don't know who you are  
all those things, I hear you say  
you talk that way, I'm a stranger to you

[Chorus]

I don't know where to begin, don't want to hear it again  
I don't believe anymore  
and this is all I know, I know I've heard it before  
I don't believe anymore

I don't believe anymore  
[EC]

And I remember your voice  
before this happened to us  
when I could see, when I was sure,  
when everything was young and new but..  
we lost it too many times  
and that's way that it is ends  
yeah lovers come and lovers go  
when you think you know, it just isn't true

(Chorus)

I don't believe anymore

[Bridge]

(Chorus)

I don't believe anymore

(Chorus)

I don't believe anymore

I don't believe anymore
