I'm different I don't care who knows it  
Something about me's just not the same  
I'm different that's how it goes  
I'm not going to play your god damn games

Got a different way of talking  
Got a different kid of smile  
I got a different way of walking  
Drives the women kind of wild

(He's different) I don't care who knows it  
(There's something about him) that's not the same  
(He's different) that's how it goes  
I'm not going to play your god damn games

Not saying that I'm better than you are  
Or maybe I am  
All I know is when I look in the mirror  
I like the man (we like the man!)

I'm different that's how it goes  
Something about me's just not the same  
I'm different that's how it goes  
I'm not going to play your god damn games

I walk down the street in the morning and  
blue birds are singing in the old oak tree  
Yeah I sing a little song for the people  
Little song from me (tralala lalala lalala laaaa) (He's  
different) I don't care who knows it  
(There's something about him) that's not the same  
(He's different) that's how it goes  
I'm not going to play your god damn games

(He's different) I don't care who knows it  
(There's something about him) that's not the same  
(He's different) that's how it goes  
I'm not going to play your god damn games
