There's no-one to call from a country town  
It's not a bad thing  
I don't have anyone lovely to call  
And it's not a bad thing

I'm not doing the dirty, breaking a vow  
I'm not a tomcat doing the rounds  
And if I were there'd be no-one to complain

There's no-one worrying at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone

There's no-one to call from a country town  
And say I got a tan  
Or we played under the biggest pergola  
This side of Japan

The mountains are hazy - the mist from the sea  
Is it good luck for dolphins on the same wave as me?  
Or, honey-child I miss you just same

There's no-one worrying at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone

It's strange to be happy if your boyfriend's lonely  
But that's the way they are  
It's strange to be happy if your girlfriend's lonely  
But that's the way we are  
But no-one's worrying at home
