wild apple trees blooming all around  
i must be in a good place now  
sunshine coming through rainbow colored sky  
paints pretty pictures in my mind

oh what a good day to go fishing  
and catch the sunset in the hills  
dream of my yesterdays and tomorrows  
and hope that you'll be with me still  
saw a butterfly and i named it after you  
your name has such a pleasant sound  
love is all around and all i see is you  
i must be in a good place now

oh what a good day to go fishing  
and catch the sunset in the hills  
dream of my yesterdays and tomorrows  
and hope that you'll be with me still  
saw a butterfly and i named it after you  
your name has such a pleasant sound  
love is all around and all i see is you  
i must be in a good place now  
i must be in a good place now
