Yo  
E-Swift  
Yo, still out here actin a fool, man  
Well, we gon' bust it off like this, youknowmsayin?

[ VERSE 1: King Tee ]

Yo, woke up this morning at a half past 10  
Next to me was this stunt named Lynn  
She's cute, long hair, light skin  
And she's married to my homeboy Ken  
Hey, it's alright, she says Ken don't know  
Yeah, Ken don't know you're a hoe  
But oh, you're wonderin, how could I sleep with Lynn?  
When she's married to my homeboy Ken?  
Well, it's plain and simple and true  
The girl asked me if I wanted to screw  
Bust it, I take her up to a nice hotel  
The ???? Fox where I dwell  
Before we got there I had to make a stop though  
I almost forgot the u-know-what and Super Saco, yo  
She said, "Yo, you're really gonna bust out your  
homeboy's wife?"  
I said, "Baby, let me tell you about my life  
I'm skanless"

[ CHORUS ]

(Everyone's got to make a livin) --> 20th Century Steel  
Band  
Skanless  
Yeah mama, I'm skanless  
(Everyone's got to make a livin)  
Skanless

[ VERSE 2: King Tee ]

Well, Lynn got up, got dressed and left  
Still felt skanless, so I called Beth  
I know you're thinkin: he's from one woman to another  
But Beth was my homeboy Ken's mother  
I said, "Hey girl, ?????? money?"  
She said, "What's up, I been waitin on your call, honey"  
I said, "Really? Well Beth, check this

I'ma pick you up around a quarter to 6  
So wear somethin sexy and cute  
Cause I'm about to crash the boots"  
She said, "You need to because pops can't hang no  
more"  
10 minutes later I was knockin at the door  
She opened up, I said, "What's up"  
She said, "My husband's inside," I said, "What the -  
hold up  
Just wait, I'ma go away and let you handle this"  
?????? the mack cause I'm skanless

[ CHORUS ]

[ VERSE 3: King Tee ]

Yo, it's a girl named Vicky  
She kinda knows my rep so I had to get slick, see?  
I had to turn like super skanless on her  
(But yo, I know I love you, baby) you know, that  
Compton drama  
She said, "We can't make love cause I'm not like that  
I have to get to know you," all the yakety yak crap  
I said, "Baby, I feel my heart crackin up  
I really thought you liked me so I bought you this  
Luxurious solid gold bracelet  
Go 'head, put it on, let me see if it fits"  
She says, "Ooh, I guess you're serious"  
"I mean what can you say? I mean you drive me  
delirious  
If we make love I buy you anything you want  
Dookie gold ropes, silk suits to flaunt"  
I knocked boots, she made me feel like a mack  
So like a pimp I jacked the hoe and stole all my shit  
back  
Cause I'm skanless

[ CHORUS ]

E-Swift, break it down
