"Warning.. you must use, Jimmy Hat condoms"

[King Tee w/ a voice modulator]

HahahahaHAA! Ahhhhhhh..

Where's the hoes at? Where's the hoes at?

Where's the hoes at? Where's the hoes at?

Where's the hoes at? Where's the hoes at?

Where diggy diggy diggy where's the hoes at?

I'm elastic, bendable plastic

If I ain't witcha then you need your ass kicked

Fuckin bitches that smell like trout

Dumb nigga, whatcha thinkin bout?

Where's the hoes at? Where's the hoes at?

Get butt-naked and fuck, I want my clothes back

But if the hoe's wack, take the hoe back

Street beat hooker, I ain't got no crack

Ahhhhhhh..

Where's the hoes at? Where's the hoes at?

Where's the hoes at? Where's the hoes at?

Where's the hoes at? Where's the hoes at?

Where diggy diggy diggy where's the hoes at?
