One More Chapter

Â© 2002 Nedrick Gavin / Viros Music

Track 3 from the CD album "Change"

Verse1.

Well, yes my baby yeah

If you were a book, hey baby

I'd want to read you, get between your covers

And really know you, hey baby

Take you word by word, know your every line

Chorus.

I wouldn't put you down, (baby turn my pages)

I wouldn't close you up (don't you put me down)

I'd keep you open, (yes you got me going)

Just to soak you up (ooh, ahhh, ahhh)

Word by word, (baby turn my pages)

Line by line (don't you put me down)

One More chapter (yes you got me going)

On my mind (ooh, ahhh, ahhh)

Verse 2.

If you were a story, hey baby

I'd want to tell you, loose myself in your plot

As I portray you, hey baby

Take you act by act, know your every scene

Chorus.

I wouldn't put you down, (baby turn my pages)

I wouldn't close you up (don't you put me down)

I'd keep you open, (yes you got me going)

Just to soak you up (ooh, ahhh, ahhh)

Word by word, (baby turn my pages)

Line by line (don't you put me down)

One More chapter (yes you got me going)

On my mind (ooh, ahhh, ahhh)

Bridge.

And when I fall asleep, you'd be on my chest

And when I awake and find you by my side

I'd open you up wide and loose myself inside

Slowly probing between the covers, onto another
chapter I say
Yes my baby, yeah

Verse 3.

If you were a poem, hey baby
I'd want to know you, loose myself in your emotions
As I probe you, hey baby
Take you word by word, know your every line

Chorus.
