Baby save your soul with fire, it's the one thing that you need Let me love you when you're tired, let me keep you from your sleep Choose your models very carefull, give them light and treat them well And if any of them should care fot you if any of them should

care, if any of them should care

All your dreams so bright and shiny, radiant colours carmine red all turned pale in Spanisch sunlight, turned to blueprins in your hand And your goddess so inspiring, she's in the dark but she ain't dead She's a non completed picture Just a blueprint in your ...

Head, just a blueprint in your head

Baby, save your soul with fire, colours yellow, colours red Go to sleep I know you're tired of the blueprints in your head
