"handshake"

Visit "[handshake](#)" on MotoLyrics.com

so long, the light's gone
and all the daydreams are done
a faith so strong

for a heaven to crowded
we're drop-outs not allowed in

let's have a handshake on our heartbreak
let's have some good faith in our new state

let's take a walk in the park
and wake the dawn in the dark

you're cold, put me on hold
the past was so radiant
love rolled, out of our souls

now all we believed in
broke down to just peacekeeping

let's have a handshake on our heartbreak
let's have some good faith in our new state

let's take a walk in the park
and wake the dawn in the dark
