maria in the hallway
maiden under glass
tears stained glass
she has been there since the dark days

yes, i pray
wonder what effect it has
on the bully's and stags
on the suits of the boulevardpress

they say, one look of me inflicts insanity
you get this one for free, cause you're so dear to me

i get up at the break of day
a farmgirl i am
from the western land
we cure the cattle on the highway

in our eyes the sand
and we do understand
your bgusinessplans
and cd storage in the skyscrapers

they say, one look of me inflicts insanity
so who do you choose to be, friend or enemy

maria in the hallway
maiden under glass
tears stained glass
she has been there since the dark days

and yes ,i pray
matronly i stand
my carkeys in one hand
my patroness above me

they say, one look of me inflicts insanity
so who do you choose to be, friend or enemy

they say, one look of me inflicts insanity
so who do you choose to be, friend or enemy
