Biker's watching sunset,  
blinded by her silhouette  
Oh, such a pretty sight, she said  
She closed her eyes  
for a brighter death,  
sunshaped colours in her head  
Oh, such a pretty sight, she said  
I wish I was in the heart of it,  
she said

My idol is dying,  
my teachers are silent  
The summers are heavy as lead,  
I remember

My idol is dying,  
my teachers are silent  
The summers are heavy as lead,  
I remember

Like a drunk, she ran right in  
the fading fire, a new beginning  
Oh, Such a pretty place I'm in  
He pulled her back into the shades,  
september came a cooler aid  
Oh, such a pretty place I'm in  
I knew that you were born to win,  
but I'm in

My idol is dying,  
my teachers are silent  
The summers are heavy as lead,  
I remember

My idol is dying,  
my teachers are silent  
The summers are heavy as lead,  
I remember

Biker's watching sunset,  
Biker's watching sunset,

Biker's watching sunset ...
