If I could, I would always tell the truth

I would always love you from the heart

If I could, I would take you in my arms

Take you inside, into my heart

If I could, I would be the place you turn

When you're feeling lonely or afraid

I would shine like a lantern in the dark

Take you inside, into my heart

When you feel as if you don't know who you are

I'll remind you with my love

If I could, I would always keep you safe

Take you inside, into my heart

When you feel as if you simply can't go on

I'll remind you that you're strong

If I could, I would love you as you are

Take you inside, into my heart

Into my arms, into my life
