"Wall Of Silence"

Visit "[Wall Of Silence](#)" on MotoLyrics.com

I've seen that life

Touches us with pain

And we change

Becoming strangers to our friends

Tell me what happens along the way

I thought of us

Hard to talk these days

Did we change

Or were we strangers all along

Tell me what caused us to turn away

CHORUS

There's a wall of silence

Miles across

A wall between us

Holding back

Holding back our loss

I moved ahead

Thinking you'd be there

But it changed

And now we're strangers to our past

How did I lose you along the way

CHORUS

I've seen that life

Touches us with pain

And we change

Becoming strangers to ourselves

Tell me what happens along the way

How did I lose you along the way
