"Where You Are"

Floating in the summer sunshine

We are flying

We are blue

Falling like a summer raindrop

Like a teardrop

Like the dew

Nothing but a blue horizon

All around us like a glove

Feeling it go on forever

Far below us

Far above

Where you are

Do you know

I think of you

Where you are

Do you know

I hope you do

Shining like a summer rainbow

We are colors

We are bright

Vanishing into the sunshine

Like a river made of light
Floating in a summer memory
I can see you in my mind
Knowing it goes on forevr
Far beyond us
Far behind
Where you are
Do you know
I think of you
Where you are
Do you know
I hope you do
Falling in a summer daydream
I remember what I knew
Nothing that I can't hold on to
Or return to
Even you
Where you are
Do you know
I think of you
Where you are
Do you know
I hope you do
