i cant believe it  
hear we go again , your in your corner you wanna do  
me in  
and when that bell rings to let the games began  
your playing dirty and its just so hard to win

pre chorus:  
you got my number  
but you dont call me back  
you got my tongue tied  
tied i cant tell where im at  
Girl what you doing  
Don't find it amusing  
Stop messing with my head  
With you it never ends

Chorus:  
We can go round and round and round

Baby we can go round and round and round  
but damn you tear my heart apart, yeah  
We can go round and round and round  
but u always end up taking the crown  
Cause girl your love it knocks me out

Movin' in circles  
While I protect myself  
You're throwing punches  
And you always aim to hit  
Why can't we get along  
Is that too much to ask  
There was a time when  
You and me were good like that

Pre-Chorus

Chorus x2
