[Verse 1:]

What's goin' on with ya lately, you're not the same.
Someone took the light from your eyes and replaced it
with pain.
And, this ain't the jealous type a thing, cause I ain't the
type, woah
It's breakin' you apart, and I'm not just gonna stand by,
no.

[Pre-Chorus:]

How 'bout the way he talks to you?
Tellin' you everything to do,
Watchin' ya every single move,
Girl don't be a fool.

[Chorus:]

Girl, he's always on your back even in front of your
friends
You're feeling like you're nothing when you're really a
ten
And that's no way, no way,
Way to treat a lady, lady (like you)
I hear some of them be saying you ain't worth this and
To any other man you'd be a priceless gem
And that's no way, no way,
Way to treat a lady, lady (like you)

[Verse 2:]

Now why you wanna let 'em keep playin', playin' these
games?
And, don't tell me you don't know what he's doin', when
you're away, yeah.
I don't understand how a girl as fine as you are,
Got him bringing you the moon on a platter under the
stars, yeah.

[Pre-Chorus 2:]

Why are you home alone tonight?
Why is you're beauty outta sight?
Always just messin' with my mind,
Cause it just ain't right.

[Chorus:]

Girl, he's always on your back even in front of your
friends
You're feeling like you're nothing when you're really a
ten
And that's no way, no way,
Way to treat a lady, lady (like you)
I hear some of them be saying you ain't worth this and
To any other man you'd be a priceless gem
And that's no way, no way,
Way to treat a lady, lady (like you)

[Breakdown:]

Can I see the reasoning why,
Why he keeps on playin' with your heart?
Cause, if you were my girl, I would give you my world to
be yours.
Stay forever by your side,
Never do a thing to make you cry,
Yes, if you were my girl, everything you deserve, you
would have. 11 mar M? ndy Ash

[Chorus: x2]

Girl, he's always on your back even in front of your
friends
You're feeling like you're nothing when you're really a
ten
And that's no way, no way,
Way to treat a lady, lady (like you)
I hear some of them be saying you ain't worth this and
To any other man you'd be a priceless gem
And that's no way, no way,
Way to treat a lady, lady (like you)

Girl, he's always on your back even in front of your
friends
You're feeling like you're nothing when you're really a
ten
And that's no way, no way,
Way to treat a lady, lady (like you)
I hear some of them be saying you ain't worth this and
To any other man you'd be a priceless gem
And that's no way, no way,
Way to treat a lady, lady (like you)

[Ending:]

Treat a lady like,
Treat a lady like you,
Treat a lady like,
Treat a lady like...
