Fragile you are
and yet the strongest by far
who's to save us now
that you've turned weak ?

I can see it in your eyes
I can feel it in my gut
now we've really reached
the point of no return

we've all been traumatized
we were all a part of the revolution
we call the truth a lie
too much got lost in translation

from my heart to your ears
transforming words to tears
as vibrations of a string
become a sound

I realize we're frail
burned out and pale
do you think we'll ever learn to love again ?

we've all been traumatized
we were all a part of the revolution
we call the truth a lie
too much got lost in translation
