“Your name please?”

“Garland Briggs.”

“Garland, What do you fear most in the world?”

“The possibility that love is not enough.”

I turn around to talk
I face your eyes
Fight replaces fright
To my surprise
I feel as I'm falling
And I see
Your soul in your eyes
As I die.

I try to stand tall (say goodbye)
You roll your eyes (roll your eyes)
You feel the same way I do
To my surprise
I feel as we're drowning in the deepest sea
You die, you're gone
Just like me.

Still your eyes are staring at me
Empty as the sky
In this moment of tranquility
I realize
This is goodbye.
Still her eyes are staring at me
Empty as the sky (Empty as the sky)
In this moment of tranquility
I realize
That this is goodbye.

Her eyes are staring at me
Empty as the sky (Empty as the sky)
In this moment of tranquility
I realize
That this is goodbye.

Her eyes are staring at me (Her eyes are staring)
Empty as the sky (Empty as the sky)
In this moment of tranquility

I realize
That this is goodbye.

Still her eyes are staring at me (Her eyes are staring)
Empty as the sky (Empty as the sky)
In this moment of tranquility
I realize
This is goodbye.
