[Chorus: Big Moe]

Baby baby you know, that you're my baby boo  
And I'm keeping it real, because you kept it true  
Ooh, ooh, you're my girlfriend

[Big Pokey]

See me and you, we two of a kind  
Kicking it all day, I love it when you around  
When you playing touchdown, I'm already waiting  
Passenger pick up, waiting on my baby  
Lately, I've been in a bad mood  
Is it me missing you, or this fast food  
Catching attitudes, every five minutes  
Baby let's go home, I'ma dive in it  
Don't stop, doing what you do to me  
I ain't never had a broad, to be true to me  
It's new to me, I'm just being real  
Thangs you do to me, how you make me feel  
What the deal is, is it love man  
You like the way a nigga do this thug thang  
I'm on the love train, it ain't slowing down  
I can't complain, it's going down, uh

[Chorus]

[Big Pokey]

Say baby, twist up this dope for me  
I'm a weed head, ain't no hope for me  
Get close to me, I'm yours to hold  
Don't be insecure, I'm yours fa sho  
Every pot got a lil, and you fitting baby  
I be trying to make a kid, when I hit it baby  
To the left with it, in the side pocket  
Body rocking, headboard knocking  
Bang bang, what's going on  
We doing this damn thang, early in the morning  
Huh, daddy make you fold up  
Make you say wait a minute, hold up  
Know what, you a dime piece  
Fill a nigga up, like a nine piece  
You could find me, you know my address

I'm trying to pull this arrow out my chest

[Chorus]

[Big Pokey]

On this last verse, I'm going fed with it  
Hit niggas and bitches, in the head with it  
Ain't scared with it, and ain't playing  
In a minute, we fins to be parlaying  
I can't lie, I'm loving this  
Hate proof, ain't nobody budging this  
I think one day, I'ma flood your fist  
Before I flood yours, I'ma flood my sis  
And my T, you know me, I'm a mama's boy  
A grandma and bree, my pride and joy  
I enjoy, every second that I spend with you  
For real, I ain't trying to pretend with you  
I want ten with you, ten mo'  
You fuck my head up, like the endo  
It's, gon go down  
So let me put this, on your mind

[Chorus]
