## Verse 1

Sometimes i wonder if it's all worth my while  
Xzibit stay versitile with million dollar lifestyle  
And i could feel it as a child growin' up  
The niggas that was real  
And the niggas that was scared as fuck  
That's why Xzibit only rolls with a chosen few  
You ain't really real i can tell when i look at you  
So ease off the trigga talk  
You ain't killin' shit  
It's not affectin' me  
Or the niggas that i'm chillin' with  
I don't believe the hype  
Or buy wolf tickets nigga  
You make a gang of noise  
And never seen like a cricket  
I guess that's why we never kick it  
Alota rappers is soft  
And get tossed tryin' to fuck with the Likwit  
So how many rappers do you know like this  
Always claimin' that they ride  
But they really turn bitch  
It don't make sense  
Either you a soldier from the start  
Or a actor with a record deal tryin' to play the part  
Chorus

It's a shame  
Niggas in a rap game  
Only for the money and the fame  
Xtra large  
It's a shame  
Niggas in a rap game  
Only for the money and the fame  
Paparazzi

## Verse 2

I don't need no lights no cameras just action  
Goddammit never no superstar i'm more like a planet  
So my composure is kept while others start to sweat  
Emergin' from the fog with my fucked up dialogue  
Tryin' to live high on the hog leaves you bankrupt  
And the bitches you spent it on will not give a fuck  
Now that's deep

How deep+ deeper than atlantis  
Home of the scandalous big bad los angeles  
Dangerous vandalous not to be trusted  
But how the fuck is you hard not bein' scared by the  
Boulevard  
Pullin' all cards and sayin' gin muthafucka
